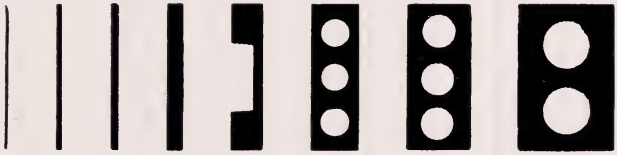
ELROD MATERIAL

Height .765



1 pt. 2 pt. 3 pt. 6 pt. 12 pt.* 18 pt. 24 pt. 36 pt.

*Tie-up slug: Is very satisfactory as 12 pt. slug, and can be used to lock up and print your forms without removing string.
In addition to the above material, we can also furnish you with hairline and 1 point rule, centered on 2 point body; hairline rule centered on 6 point body and 6 point high slugs cast to the same height as the body of a linotype slug: all of which are necessary for montabular forms.

Unsightly butted or mitered corners can ruin an otherwise beautiful job. When ordering rule or border, let us miter it for you on our Rouse precision, power mitering machine, and be assured that the rules on that "particular" job will complement the job that you have tried so hard to produce.
